

Company Profile

About Us

Tsimba Construction began as a general works contractor in 2012 and was formally registered as a company in 2016.

Over the years, the company has undertaken many challenging projects and accumulated skills, know-how and experiences in design and build solutions, project management services, building trades and related engineering works.

Today, Tsimba Construction takes on the role of main contractor for small to medium size projects and performs project management services to coordinate specialist trades for commercial projects. We also provide design inputs and engineering solutions as value-add services to our clients.

We are BEE compliant and endeavour to promote the disadvantaged whenever possible
